Wenatchee River Ranger District

Questions and Answers

Are parking passes required?

Overnight permit holders are provided a parking pass valid for length of the trip. Day users are required to display a Federal Recreation Pass.

How many permits are issued a day?

By RESERVATION DAY OF DRAWING

Enchantments?	15 people.....	5 people
Colchuck?	3 parties	1 party
Stuart?	4 parties	1 party
Snow/Nada?	4 parties	1 party
Eightmile/Carolines? ...	5 parties	5 parties

How long can I stay?

14 days is the maximum length of stay. You are not allowed to come out of the wilderness permit area and then re-enter on the same permit.

If I'm not coming, should I cancel?

YES. Your spot will be made available to others.

What's the weather like?

Expect extreme weather conditions any time of year. Check the web at:
www.wrh.noaa.gov/otx

When do the larch turn color?

It varies from late September to mid-October

How many days do you recommend?

Plan at least 3 days for a trip. The Enchantment area is recommended for experienced hikers. Steep elevation changes and rough terrain make the trip very strenuous. Green Trails Map #209S has exact distances and elevation gains. Trailhead choice depends on your hiking ability and preference.

Are there bears?

Yes. Hang food, toiletries, and trash 15 feet up and 5 feet out from a tree. Cook away from your sleeping area.

May I bring my horse, llama, or goat?

Stock are allowed, subject to all applicable regulations, at any time in the Eightmile/Caroline zone, and in the Stuart Lake zone only from the Saturday following Labor Day to January 1. The maximum group size is 8, including stock.

Can you recommend other areas if I don't get a permit?

Yes, Chiwaukum/Larch Lakes, Lake Augusta, Blackjack Ridge/Cradle Lake or Chain/Doelle Lakes.

Minimize Your Impact to Help Protect this Fragile Environment...

CAMPFIRES... are prohibited everywhere above 5,000 feet elevation and within 1/2 mile of Nada, Eightmile, and Little Eightmile Lakes. This leaves only a few campsites along the Snow Lake and Stuart Lake trails where fires are allowed.

DOGS... Dogs are prohibited throughout the permit area to protect wildlife, water quality, and the wilderness experience.

ROCK WALLS... Don't build 'em.

GOATS... Goats dig up vegetation in search of salt—please don't urinate on vegetation—go on a rock or dig a hole in a sandy area where goats won't paw up vegetation.

TOILETS... Use them where provided or bury waste at least 6 inches deep. **DO NOT PUT ANY GARBAGE IN TOILETS!**

CAMPING... At Snow and Nada Lakes, campsites are designated with a hiker symbol. Elsewhere camp in previously impacted sites.

TRAILS... Follow the cairns and stay on rock where possible to protect the fragile, alpine vegetation. When trails are muddy, stay on the trail instead of going to the side. Avoid walking on heather and huckleberry.

WATER... Help keep the lakes clean—do your washing well away from water (never in it!). Even biodegradable soap does not break down quickly in cold water. Filter or treat your drinking water—giardia is not fun!

FISHING... It's okay with a valid Washington State fishing license. Please bury fish guts and don't leave line and lures behind.

READ FIRST... Application Instructions and Intricacies

The Permit System: Quota permits are required for overnight camping in the Enchantment area of the Alpine Lakes Wilderness. These include the following 5 quota zones: Enchantments, Snow Lakes, Stuart Lake, Colchuck Lake, and Eightmile/Caroline Lakes areas and the trails leading to them. **e permit season is from June 15 to October 15. Due to the popularity of the Enchantment Area, we accept only one application per person, group, or family per zone, per year.** For example, you may send in an application for the Core Enchantment Zone and another one for the Stuart Lake Zone, but you may not send in two applications for the Core Enchantment Zone. This application, and more information, is available on our website:

www.fs.fed.us/r6/wenatchee

Obtaining Permit Reservations: Permits are available only from the Wenatchee River Ranger Station. Reservations are made by using this mail-in application. In-person applications do not get priority. No FAX, e-mail or phone reservations.

Application Processing: Beginning February 8 reservations are processed randomly to handle the initial deluge of requests. Applications are processed in the order received thereafter. Applications must be postmarked no earlier than February 1; **those postmarked before that date are rejected.** Most Enchantment Zone dates fill with the February 8 applications. Applications are accepted from February 1 - October 15 each year.

*** Select Entry Date:** Include several alternatives in case your first request is unavailable. Include other helpful instructions for additional flexibility (for example, “Any 4 days in August” or “3 days any weekend after July 15, starting on a Friday or Saturday”).

Choose Zone You Want to Camp In:

To camp in the Enchantments you must have a permit for the Enchantment Zone. This permit also allows you to camp in any other zone. Permit holders for other zones must camp in that zone the first night; they can then move to any zone EXCEPT the Enchantment Zone for the following nights. **Your group must camp together.**

Include Application Fee: The fee for overnight permits is \$5 per person per day. **Partial days, such as first and last day count as complete days.** Payment by credit card is preferred. Due to US Forest Service fiscal policies, we no longer accept personal checks for reservations due to the length of time required to process over 1,000 reservation requests. You may send a money order or cashier's check in U.S. funds, payable to **"USDA Forest Service."** Make sure you can get your money refunded by your bank if you are unable to secure a reservation. No Traveler's Checks. If paying by money order or cashier's check, make sure requested dates have the same number of days and people so that payment is correct.

Confirmation: Your reservation will be confirmed or rejected in writing. If the reservation is confirmed and you cancel later, there will be no refund of the fee. **Please allow at least three weeks for processing your application** (longer in February).

Permit Pickup: Permits must be picked up in person at the ranger station. “No-show” permits are issued to others. ***e earliest your permits can be picked up is after 4:30 the day before your entry date.*** You cannot start your trip, however, until the following day. The latest you can pick up your permit is 9:00 a.m. on the day of departure unless you call ahead. ***If you should arrive when the office is closed, permits will be placed in the permit box located on the front porch of the office.***

Trip Changes: A fee of \$10 will be charged for changes. If adding people to your group or extending your trip, additional fees of \$5 per person per day are also required. Entry dates will be changed only if space is available. Changes not accepted until after April 15th.

Day Use Permits: Self-issue, free day-use permits are available at trailheads and the Wenatchee River Ranger Station. Free permits are required from May 15 to October 31.

Daily Walk-in Permits: Visitors who are unable or who do not want to make advance reservations during the quota permit period may take advantage of the 25% walk-in quota. This quota is available at the Wenatchee River Ranger Station beginning at 7:45 a.m. the **day of** the trip. A daily drawing is used to determine which waiting parties receive permits. Permits are issued until available spots are filled. The permit fee of \$5 per person per day applies to walk-in permit holders. The Ranger Station is closed on Sundays and Columbus Day (10-11-10).

This is a blank sheet of white paper with horizontal blue or grey ruling lines. A single vertical margin line is positioned on the left side, creating a narrow left margin. The top edge of the page features a decorative border consisting of a repeating pattern of small, stylized floral or geometric motifs. The paper appears to be from a notebook or a set of legal pads.

For your records, copy the dates you wish to enter and exit the area for all choices and trailheads.
